SIR,

I have the honor to submit herewith copies of the marginally noted communications from the Deputy Commissioner, Tumkur District, recommending the establishment of Village Courts at Tarur and Kolala in the Tumkur Taluk. 2. .do. 17-8-18.
3. .do. 11-9-18.

2. As regards Tarur, it has a population of only 690 persons and the Deputy Commissioner proposes that if a Village Court is established there, a dozen villages in the vicinity may be brought within its jurisdiction. The Deputy Commissioner has been asked for some further particulars and on receipt of his reply a separate -- reference will be made to Government about the establishment of a court at that place

Letter No 414/17-18 dated 24th April 1918, from the Deputy Commissioner, Tumkur District, to the Revenue Commissioner in Mysore. 4

.....

I have the honor to state that the constitution of a village Munsiff's court for each of the marginally noted villages in the -- Tumkur Taluk have been urged both by the people of these places as well as by the Amildar. In the former case, the people as well as the Amildar suggest that the villages noted against it may be formed into a group with head quarters at Tarur. Tarur itself has a population of 690 and is an important village. In the latter case, Kolala, has a population of over 1000 and is situated at an inconveniently long distance from Tumkur. Hence the necessity in both cases.

1. Tarur. Tarur, Thimmasandra, Lakkenhalli, Sopanhalli.

2. Kolala.

2. It is therefore requested that sanction of Government may kindly be obtained for the proposals. These courts may begin work from the 1st July 1918.
